# 300SA Oil Pickup Screen Adapter

During the manufacturing of the 4.0L SOHC in 1997 Ford began production using a metal oil pickup screen. In 2002 Ford switched to a plastic screen for all Ford Truck and Mercury applications. Melling is offering the 300SA screen adapter which allows the use of our 300S metal screen in applications past model year 2000 for customers who choose not to use the plastic 352S screen.
